(e) *Non-compliance with this section.* If you have not met the percentages required in paragraphs (a), (b), (c), or (d)

of this section at the end of any fiscal year, then you must be in compliance by the end of the following fiscal year. However, you will not be eligible for additional Leverage until such time as you meet the required percentages (*see* § 4290.1120).

§ 4290.720 Enterprises that may be ineligible for Financing.

(a) *Re-lenders or re-investors.* You are not permitted to finance any Enterprise that is a re-lender or re-investor. The primary business activity of re-lenders or re-investors involves, directly or indirectly, providing funds to others, purchasing debt obligations, factoring, or long-term leasing of equipment with no provision for maintenance or repair.

(b) *Passive Enterprises.* You are not permitted to finance a passive Enterprise.

(1) *Definition.* An Enterprise is passive if:

(i) It is not engaged in a regular and continuous business operation (for purposes of this paragraph (b), the mere receipt of payments such as dividends, rents, lease payments, or royalties is not considered a regular and continuous business operation); or

(ii) Its employees are not carrying on the majority of day to day operations, and the Enterprise does not provide effective control and supervision, on a day to day basis, over persons employed under contract; or

(iii) It passes through substantially all of the proceeds of the Financing to another entity.

(2) *Exception for pass-through of proceeds to subsidiary.* With the prior written approval of the Secretary, you may finance a passive Enterprise if it passes substantially all of the proceeds through to one or more subsidiary companies, each of which is an eligible Enterprise that is not passive. For the purpose of this paragraph (b)(2), “subsidiary company” means a company in which at least 50 percent of the outstanding voting securities are owned by the Financed passive Enterprise.

(3) *Exception for certain Partnership RBICs or LLC RBICs.* With the prior written approval of the Secretary, if you are a Partnership RBIC or LLC RBIC, you may form one or more whol-

ly owned corporations in accordance with this paragraph (b)(3). The sole purpose of such corporation(s) must be to provide Financing to one or more eligible, unincorporated Enterprise. You may form such corporation(s) only if a direct Financing to such Enterprise would cause any of your investors to incur unrelated business taxable income under section 511 of the Internal Revenue Code of 1986, as amended (26 U.S.C. 511). Your investment of funds in such corporation(s) will not constitute a violation of § 4290.730(a).

(c) *Real Estate Enterprises.* (1) You are not permitted to finance:

(i) Any Enterprise classified under sector 233 (Building, Developing, and General Contracting) of the NAICS Manual, or

(ii) Any Enterprise listed under sector 531 (Real Estate) unless at least 80 percent of its revenue is derived from non-Affiliate sources.

(2) You are not permitted to finance an Enterprise, regardless of NAICS classification, if the Financing is to be used to acquire or refinance real property, unless the Enterprise:

(i) Is acquiring an existing property and will use at least 51 percent of the usable square footage for an eligible business or commercial purpose; or

(ii) Is constructing or renovating a building and will use at least 67 percent of the usable square footage for an eligible business or commercial purpose; or

(iii) Occupies the subject property and uses at least 67 percent of the usable square footage for an eligible business or commercial purpose.

(d) *Project Financing.* You are not permitted to finance an Enterprise if:

(1) The assets of the Enterprise are to be reduced or consumed, generally without replacement, as the life of the Enterprise progresses, and the nature of the Enterprise requires that a stream of cash payments be made to the Enterprise’s financing sources, on a basis associated with the continuing sale of assets. Examples include real estate development projects, oil and gas wells, wind farms, or power facilities (including solar, geothermal, hydroelectric, or biomass power facilities); or
